

EVOLUTION OF TECHNOLOGY

About Us:

ZETA is a global engineering and technology partner serving pharmaceutical and biopharma companies. With over 30 years of experience, we specialize in process engineering, automation, and GMP-compliant systems to help deliver life-saving therapies.

Role Summary:

We are hiring an **Engineering Project Manager** to manage small capital projects (typically under \$250K, up to \$2M), support engineering coordination on larger projects, and perform site activities. This hybrid role combines **project management** and **technical oversight**, ensuring successful execution of process design, equipment installations, and site evaluations.

Engineering Project Manager

Location: **King of Prussia**

Contract: **Full-time employee**

Start: **As of now**

Your tasks

- Independently manage small capital projects from initiation through closeout
- Support lead PM with cross-discipline engineering interfaces on larger projects
- Develop and maintain project schedules, budgets, and documentation
- Coordinate engineering packages and verify alignment with site conditions
- Oversee process equipment installation activities (vendor coordination)
- Conduct site evaluations and resolve discrepancies between design and field conditions
- Interface with internal engineering teams and external contractors
- Ensure compliance with safety, quality, and GMP standards
- Travel up to 50% to project sites

Your profile

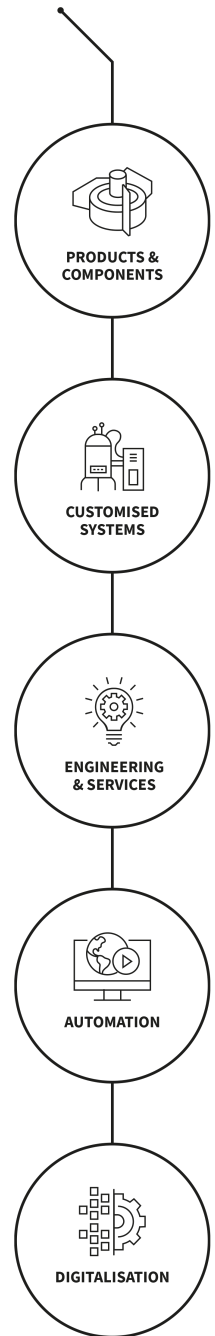

- Bachelor's degree in Engineering or related technical discipline
- 2-5 years of experience in project management or engineering
- Strong organizational and communication skills
- Ability to read and interpret engineering drawings
- Familiarity with process equipment and installation practices
- Willingness to travel up to 50%

Preferred:

- Exposure to pharmaceutical or biotech environments
- Understanding of GMP requirements
- PMP certification (or willingness to pursue)

Under the motto "Let's Engineer Your Career Together" we are looking forward to receiving your application!

Apply now and become part of the ZETA-Team!
